## EDUCATION

### **Carmel High School, Indiana — Academic Honors Diploma**

August 2019 - Present

Currently, I am a sophomore at Carmel High School and am working towards the necessary credits to receive the Academic Honors Diploma. Additionally, I am pursuing the International Baccalaureate and AP Scholar with Distinction Diplomas. View my rigorous four-year course schedule [here](#).

### **Carmel Middle School, Indiana — Principal's Honors Award**

August 2016 - May 2019

At Carmel Middle School I received the Principal's Honors Awards which is a distinguished award only awarded to students who maintained a perfect GPA throughout middle school.

## EXPERIENCE

### **Reporter and Copy Editor, HiLite**

August 2019 - Present

The HiLite is Carmel High School's Monthly News Magazine. For my second year, I am a Feature Reporter and Cover Story Copy Editor.

### **Journalism Workshop Director, North South Foundation**

November, 2020 - PRESENT

Lead teacher and organizer of North South Foundation Journalism and Journalistic Writing Webinars.

### **Research Assistant, Kihara Bioinformatic Laboratory Purdue University**

August, 2017 - PRESENT

Currently researching the Nattokinase-aided Staphylococcus aureus biofilm dispersion pathway. Previously worked with Professors Bernie Tao, Paul Brown, and Clark Gedney with their amazing research and am listed as a contributor in many of their papers.

### **Quill and Scroll Honors Society— *Inductee***

September 2020 - Present

Member of Carmel High School's chapter of the International High School Journalism Honors Society Quill and Scroll.

### **AcademiaEdge — *Co-Founder***

November 2020 - Present

Nonprofit organization aimed to make expensive programming courses more accessible by offering completely free and high-quality programming classes taught by experienced and qualified highschool and college students.

### **Voices of Carmel— *Founder***

July 2020 - Present

Nonprofit organization dedicated to the city of Carmel. We provide volunteering opportunities and a safe space for Carmel citizens to voice their opinions.

### **Combat the Patent Prices— *Indiana State President***

January 2021 - Present

Nonprofit organization established by highschoolers that fights against pharmaceutical patent abuse and advocates for affordable medical prices

## VOLUNTEERING

### **ScioVirtual, Nationwide — *Head of Programming Courses and Water Quality Teacher***

December, 2020 - PRESENT

ScioVirtual is a nonprofit organization that provides quality virtual science courses. I am in charge of the Computer Science suite of courses and teach the Aquatic Ecology as well.

### **Teen Library Council— *Member***

August 2020 - Present

Active member of the Teen Library Council. Help run and organize many teenager-orientated library events and activities.

## SELECTED CLUB

### **Carmel Model United Nations (MUN) — *Member***

September 2020 - Present

Active member of the Carmel MUN team. I enjoy debating and researching member nations. I have competed in Yale and placed in Vanderbilt and Indiana University Model United Nation tournaments.
